*Foods & wines inspired by the richness of country life.*

Since 1937, once nestled in the middle of cornfields stands the Smoke House Market, an unpretentious structure reminiscent of its days as the market for the surrounding Chesterfield area. The store now houses one of St. Louis's most celebrated restaurants, Annie Gunn's. Within its walls, Chef Lou Rook III works his magic, creating irresistible cuisine with a sophisticated country life accent. In keeping with the concept of "foods and wines inspired by the richness of country life," Chef Rook uses the best ingredients and the traditions that are most appropriate to them and imbues them with his own talented creative spin within the rhythm of the seasons.

Annie Gunn's is known for its heartwarming, nurturing and robust dishes that encourage us through another gloomy St. Louis winter. April launches us into the opening rites of spring's tiny lettuces and vegetables from our local farmers. Summer celebrates the month of local produce exuberance with an abundance of tomatoes, corn and the produce that bespeaks "our" American Heartland. Autumn blesses us with bountiful fall contributions of fruits and vegetables that ready us for the upcoming holidays. December finds us as grateful hosts to numerous individual families, friends and office parties sharing Chef Rook's enthusiasm for bringing exotic and familiar, delicate and homey, rich and refined favorites, discoveries and his inventions to our devoted and deserving clientele.

Our passion for wine is an integral part of the Annie Gunn's tradition. Toward that goal, our consummate proprietor Thom Sehnert has spent most of his life at the Smoke House Market and his beloved Annie Gunn's, amassing over 800 selections for our wine list.

Every major wine-producing region is powerfully represented in the cellar with superstar producers of France, Italy and the New World, featuring the finest of our Missouri vintners.

With over 45 years of experience and a national reputation for his passion and knowledge of wine, Glenn Bardgett is the perfect complement to the team of Chef Lou Rook, III and owner Thom Sehnert; all of whom have discovered the magic of food and wine and the joys of being at the table together. Glenn is recognized both as a Certified Sommelier by the American Court of Master Sommeliers and a Certified Specialist of Wine by the Society of Wine Educators. Glenn is also a two time national semi-finalist for the prestigious James Beard Award.

In addition to sharing advice and instruction to our genuine staff, Glenn is responsible for honing our personal styles and expanding our wine repertoire. We have had, and continue to have, great pleasure in building Annie Gunn's wine cellar and our wine program.

**In 2024, for the 22nd consecutive year, the Wine Spectator has honored our wine list with its coveted "Best of Award of Excellence". No restaurant in Missouri has a higher WS award than Annie Gunn's. There are 1,531 "BAE" in the entire world, of which 16 are located in Missouri. Only 37 of the 1,531 have received this honor longer than our 22 years for Annie Gunn's.**

We sincerely hope that you find enjoyment and comfort savoring the fruits of our continuous passion and labor.

## Wine Terminology

**Acidity:** (*n.*) The tart or sharp flavors naturally found in wine, which balances the sweetness

**Aging:** (*v.*) Holding wine in barrels, tubs or bottles under certain conditions after fermentation to develop complex flavors.

**Alcohol by volume (ABV):** (*n.*) The amount % of alcohol in a wine after fermentation.

**Blend:** (*n.*) A wine created by mixing varietals to create interesting flavors.

**Body:** (*n.*) The “weight” of wine on your palate or the perceived thickness of a sip when you drink it. It’s affected by the wine’s alcohol content, sugar levels and dissolved solids. To better understand the difference in body, think about different types of milk and how they feel in your mouth, from skim milk to whole milk.

**Brix (°Bx):** (*n.*) The measurement for sugar levels in wine grapes; helps winemakers determine the amount of alcohol wine will have after fermentation.

**Decant:** (*v.*) The act of exposing wine to oxygen before drinking it.

**Dry:** (*adj.*) A wine that is not sweet.

**Fermentation:** (*n.*) The process during which yeast converts natural sugars into alcohol.

**Finish:** (*n.*) The lingering impressions, tastes and flavors that remain or evolve after you swallow a sip of wine; aftertaste.

**Fortified:** (*v.*) Wines that have additional alcohol added after fermentation.

**Mouthfeel:** (*n.*) The physical sensation in your mouth, some examples include smooth or velvety.

**Nose:** (*n.*) The aromas of a wine, which influence its flavor. In complex wines, AKA “bouquet.”

**Red wine:** (*n.*) A wine from dark-colored grapes. These wines can range from purple to deep red.

**Residual Sugar:** (*n.*) The natural sugars in wine left over from the grape following fermentation, often abbreviated as RS.

**Rosé:** (*n.*) A wine made from red grapes but only fermented with the grape skins for a limited time, which results in its signature pink color.

**Sparkling wine:** (*n.*) Wine bottled with enough carbon dioxide to make the drink bubbly or fizzy.

**Sweet:** (*adj.*) Wines with residual sugars that make them sweet to taste.

**Tannins:** (*n.*) Natural, bitter compounds found in wine, tea and cacao. They can have a drying sensation on the palate. Wines high in tannins are described as “tannic.” Generally, red wines are more tannic than white wines.

**Terroir:** (*n.*) The French term for “earth;” used to describe the natural environment where wine grapes were grown, including the soil, the land and the climate. It affects the taste of the wine.

**Varietal:** (*n.*) A specific type of grape. Wines made from a specific varietal often share tasting notes common with that type of grape. An example of a Missouri varietal is Norton.

**Vintage:** (*n.*) The year the wine grapes were harvested. It’s printed on the bottle.

**White Wine:** (*n.*) A pale yellow to golden-colored wine that is often fermented without the grape skins.

## Château Musar, Bekaa Valley, Lebanon

For over 6,000 years, wine has been produced in Lebanon's Bekaa Valley. Founded in 1930, Château Musar has become one to the most esteemed wineries in the world. In 1984, when Britain's "Decanter Magazine" named their first ever "Man of the Year," it was given to Serge Hochar of Château Musar.

"When you taste my wine, you are tasting millions of things.  
You are tasting everything that has happened to that wine during its life until you drink it."  
– **Serge Hochar 1939-2014**

**Château Musar Red** ~ Smoky, leathery with mature ripe flavors and spice. Balanced and very complex with solid tannins. Some tea and vanilla aromas, coffee brown sugar. Pair with one of our great aged steaks and enjoy the ride. Vineyards are planted with Cabernet Sauvignon, Cinsault, Carignan and Grenache

# ECHOLANDS WINERY

“Echoland's Winery reflects a life-long love affair with flavor and with the effects of alcohol, however wrong it may be to admit that.” – *Doug Frost, MW, MS, co-owner*

## **ECHOLANDS Seven Hills Vineyard Red Wine 2019 Walla Walla Valley AVA**

58% Cabernet Sauvignon, 26% Merlot, 15% Cabernet Franc, 1% Petit Verdot  
**100**

Definitely a Bordeaux blend, but with dramatic character from the famed Seven Hills Vineyard of Washington's Walla Walla Valley. Doug Frost's style is to control the alcohol leading to an enjoyable “now” and cellarable experience later.

## **ECHOLANDS Syrah 2019 Walla Walla Valley AVA**

*Mostly from the famed Les Collines Vineyard's Syrah  
and blended with 2% Viognier, light amounts of new oak aged in French puncheons.*

**80**

Possibly the most famous Syrah vineyard in Washington, Les Collines, is a source for this expression of the land, the terroir and to the tradition of blending a small amount of Viognier into stunning Syrah. As it is true with their Bordeaux blend above, the vineyard lets you know what style of wine will be the final result.

“In truth, all wine is an echo of its landscape, of the vines planted there, and the sound that they make in the form of their fruits.” – *Doug Frost, MW, MS, co-owner*

## **The Crane Assembly** **By David Phinney, Winemaker**

*Dr. George Beldon Crane first established grapes on this site in 1885, making it one of the oldest vineyards in the Napa Valley. Currently eight acres are in production including four acres containing a mixture of Crane's original plantings with some newer (1930s) vines. These four acres have been continuously farmed for over 130 years. David Phinney (founder of Orin Swift) bought these eight acres in 2012.*

**DISCIPLES**

**Complex from the first taste that carry through to the palate, lush, big, rich and brawny.  
The finish is lingering and persistent. Balanced and inviting, concentrated.**

**Think strawberry preserves and lavender aromas.**

**Rich, earthy, spicy, tart raspberries, long dusty finish, caramelized sugars, luscious.**

“Age is just a number. It's totally irrelevant unless, of course, you happen to be a bottle of wine.” – *Joan Collins*
